STEADFAST AND UNMOVABLE

"STEPHEN was stoned because he preached Christ and Him crucified. PAUL was imprisoned, beaten, stoned, and finally put to death, because he was a faithful messenger of God to the Gentiles. The apostle JOHN was banished to the Isle of Patmos, for the word of God, and for the testimony of Jesus Christ." ~ GW18

To humbly emulate the steadfastness of *Stephen or Paul or even John* as a witness in today's world requires a special measure of divine power. You will recognize God's promised power and His sustaining grace in these keystone presentations at a recent GYC event.

Babylon, has made all nations...

GET READY! BE READY! LIVE READY!

In the year 1850, Ellen White's accompanying angel said, "Time is almost finished. Do you reflect the lovely image of Jesus as you should?" Then she was pointed to the earth and saw that there would have to be a "getting ready" among those who have of late embraced the Third Angel's Message.

The angel said, "Get ready, get ready, get ready. You will have to die a greater death to the world than we have ever yet died."

• "There is a great work to do and but little time in which to do it." ~ EW 64

DIVINE PRESCRIPTION FOR REVIVAL

- Though it may come as a surprise to some, the foundation of lasting and authentic revival is not praise bands, drama teams, contemporized music, or "Gospel Parties."
- Instead, every true revival can be traced to a kneeling figure—the breath of revival.
- This series describes how a church is divinely revived and what happens when that takes place.

THE DEATH OF INNOCENCE

- Contrary to popular and unbiblical preaching, Christ calls us to deny ourselves and bear a cross in this world. The "good life" is yet to come! DANGER! DANGER!

"I Would thou were Cold or Hot"

- Many professed Christians fit the Laodicean description of Self-sufficiency found in Revelation 3:14-22. The tragedy of this condition is that those in danger are unaware of it. Deep searching of the soul is called for in these last days that we might know our true condition in the light of a Holy God.
- The question: When God sees you, what does He see? We must "wage war" against forming a truce with the world and any of its values. Discover how to stay out of danger!

THE FOUNDATION STONE – GOD'S WORD

- Since there are only "two voices in this world, the question is asked, "Whom are you choosing to be your authority? God's Word or that of the enemy?"

AMERICA IN PROPHECY

When the leading churches of the United States, uniting upon such points of doctrine as are held by them in common, shall influence the state to enforce their decrees and to sustain their institutions, then Protestant America will have formed an image of the Roman hierarchy, and the infliction of civil penalties upon dissenters will inevitably result.

THE BATTLE OVER THE BIBLE

History, Archaeology, and the Bible

- The battle of the Bible is raging all around us—in our secular society, in our western civilization and our post modern world, and in the media. Is this book simply an ancient piece of literature or is this truly the inspired word of God?
- Even in the midst of being bombarded with the demise of Truth in this age of relativism, there are answers to be found in this dilemma. This series of presentations include archaeological facts and studies that substantiate the historical accuracy of the Bible.

"To claim to be a prophetess is something that I have never done. If others call me by that name, I have no controversy with them. SCRIPTURE IN A POSTMODERN WORLD

You will be astonished by the monumental attempts to eclipse the Word of God today. Postmodernism has rejected any sense of absolute truth and thereby biblical authority and the relevance of Scripture. We are caught in a world that is rewriting history and the Bible. This series demonstrates how we can rediscover God's Word for ourselves, experience it in our personal lives, and confront a world that has become disillusioned with truth, but in the end, cannot live without it.

SIGNPOSTS ON THE WAY HOME

The Economic Crisis

- Why are we here? Why did it happen? Scripture provides the answer.
- "Those who hold the reins of the government are not able to solve the problem of moral corruption, poverty, pauperism, and increasing crime. They are struggling in vain to place business operations on a more secure basis..."
- The Scriptures describe the condition of the world just before Christ's second coming. Of the men who by robbery and extortion are amassing great riches, it is written: *'Ye have heaped treasure together for the last days... which is kept back by fraud...'*

ADVENTISM IN THE 21ST CENTURY STILL RELEVANT?

"We are Seventh-day Adventists, and of this name we are never to be ashamed. As a people *we must take a firm stand for truth* and righteousness. Thus we shall glorify God. We are to be delivered from dangers, not ensnared and corrupted by them. That this may be, we must look ever to Jesus, the Author and Finisher of our faith." ~ 2SM 384

END TIMES WITHIN THE CHURCH

Discover what is happening from within.

1. **The Law within Adventism** – Ellen White (in Special Testimonies Series B) makes it clear that the law, Sabbath observance, and standards will be attacked from within.
2. **Guarding the Mind** – We are told that we should guard well the avenues of the soul. But could our minds be manipulated in ways we do not immediately recognize?
3. **Educational Subversion** – Early in the 20th century, when Adventism faced another moment of opportunity and Jesus was trying to come, forces of apostasy tried to subvert the educational program of the church. Could this happen again?
4. **Omega II** – This presentation will digest many of the lessons to be learned from the Kellogg apostasy and show what we must guard against as Adventism faces the future.
5. **Our Best Safeguard—Inspiration**
The only safety for the true believer will be in the Scriptures and the Spirit of Prophecy. But, there are forces at work that seek to "reinterpret" the Scriptures, explaining away truth in such a way that even the very elect could become confused.

WE STILL WAIT... WHY?

- For 169 years we have proclaimed a soon coming Lord, but we still wait. This series will reveal that the delay was never heaven's plan. It will show how at least twice Jesus has tried to return during the history of the Church. It will also explain why those plans were delayed.
- The surprising conclusion is that waiting for world events needs to be prioritized by the events that must take place within the Church and **WHAT WE MUST DO!**

OUR CHALLENGE—MEET IT!

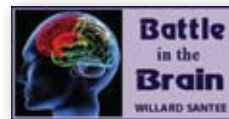

"Beg of God to work in you a thorough reformation, that the fruits of His Spirit may dwell in you, and you shine as lights in the world." ~ 1T159

1. Four Generations of Change – What are the steps a movement takes that causes it to slip from a zealous beginning into a state of apostasy and eventually into apathy? From this review of four generations it becomes crystal clear what has happened to God's Remnant Church. But, good news is yet to come.

2. What's the Holy Spirit Doing in You? – In light of our lukewarm condition as a church, what is it that God wants to do with us individually? What is the difference between your natural talents and God's Gift of the Holy Spirit?

3. What the Holy Spirit Wants to Do – Perhaps you have never thought of it before, but when a person substitutes his talents for the work of the Holy Spirit, that person is of no use to God. This message will not only challenge your mind but may even lead to a change of heart.

THE ROAD THAT LEADS HOME

"Those who travel in the narrow way are talking of the joy and happiness they will have at the end of the journey. Their countenances are often sad, yet often beam with holy, sacred joy. They do not dress like the company in the broad road, nor talk like them, nor act like them. A pattern has been given them. A man of sorrows and acquainted with grief opened this road for them and traveled it Himself."

95 THESES FOR GOD'S CHURCH IN THE 21ST CENTURY

• This series covers many of the issues and challenges that face us as individuals, as families, and as a church. The 95 Theses are talking points and lend themselves to be studied and discussed inasmuch as they are meant to contain principles which are critical to living in the last generation.

• Our Lord said that in the last days there would be deceptions so well-crafted that they would deceive if possible the very elect. If we are not thinking, then someone else is doing our thinking for us. These theses are designed to make you think!

Sample: "The uniform a soldier wears is not a moral issue, but it is a life-and-death issue, because it indicates which side he is on."

BARRIERS TO BELIEF

In 1890 Ellen White spoke of "the very last deception of Satan" within Adventism as being a concerted effort to accomplish two goals: 1) To destroy her credibility as a true prophet of the Lord, and 2) The creation of a "Satanic... hatred" against those writings—"Satanic" both as to origin, and also as to intensity. ~ 1SM48:3,4

1. The "Credibility" Issue: The Barrier of Seemingly-Absurd Statements From Science
2. The "Morality" Issue: The Barrier of Alleged Plagiarist Practices
3. The "Inspiration/Revelation" Issue:
The Barrier of Her Employment of Literary Assistants
4. The "Inerrancy" Issue: The Barrier of the Prophet's Human Fallibility

INTERPRETING ELLEN WHITE

This presentation examines the three rules of hermeneutics developed by the late T. H. Hemison with special reference to the inspired writings of Ellen G. White and seeks to show the contemporary relevance of this 19th-century horse-and-buggy era prophet in the 21st century. Case Histories included:

1. What Does the Prophet Mean by What the Prophet Says?—An introduction to the importance and place of hermeneutics.
2. **RULE NO. 1:** Take All That the Prophet Says on the Subject—Drawing Your "Bottom-Line" conclusion.
3. **RULE NO. 2:** Study the Context, Internal and External—Look for Important Clues to Meaning
4. **RULE NO. 3:** Is the Prophet's Counsel A Principle or a Policy?

PREPARING THE CHURCH FOR THE LAST HOUR

A study in the Book of 1 John

John's focus in this letter is on God's people, the church—more precisely on the church of "the last hour" where it is crucial to distinguish between "the Spirit of truth and the spirit of error." Why? Because it is that church which must understand and fulfill the mission required by the demands of the last hour! *This is our challenge!*

4. **What Kind of Faith** – We either suffer with Christ and learn obedience, or we suffer without Him in disobedience.

THE WORD CONFRONTS ISSUES

Jesus' antidote for temptations, no matter what issues they represented, was "It Is Written." Today there is a need to return to that principle, *the Bible and the Bible only* as the rule of faith and duty.

JESUS CAME PREACHING!

Studies in the Sermon on the Mount

Jesus Came Preaching. What did He preach? Grace? Justification? No! He preached the kingdom of heaven—not in generalities, but in specifics, the principles of that kingdom.

LOYAL OR DISLOYAL?

To Maintain and Uphold Bible Principles

What principles? Why are they important?

1. **People Are the Problem** – People are responsible for the peril, danger, and difficulties of the last days, but people can also be the solution. Thus, the call for action and a response to the greatest and our most urgent need.
2. **EGW is No Humpty Dumpty** – Ellen White was not as fragile as Humpty Dumpty. She won't break as easily, and her story is no fairytale. This is no time to turn aside from hearing the truth or to wander off into myths and man-made doctrines.
3. **An Awesome Truth** – We hear a clarion summons to be more than just another Protestant church in response to the 541 "Remnant" texts in God's Word.
4. **I Want You** – Early Advent believers saw in Revelation 14:12 the finger of God pointing directly at them. How do we fulfill our destiny today, and what does it call for?
5. **I Want You, Too** – Consider the 500th anniversary of the Protestant Reformation. What are we to guard? What are we to avoid?
6. **The Time is at Hand** – Learn the importance of entering the Holy Place where Jesus our High Priest is preparing heaven for us, preparing us for heaven, and securing an eternal redemption for us.
7. **Jesus Does It All** – Discover what it means to have a "clean" conscience—it's so much more than taking away our guilt, and Jesus wants to do it all.
8. **Does It Make Any Difference?** – Based on the Bible truths uncovered by the Advent believers in the 19th century, does it make any difference to which church you belong? If so, does the mission of that church make any difference? The mission of that church depends on maintaining, and upholding the Bible principles exposed by the early Adventists. The climax to this series reveals that difference for you and me.

ABOVE ALL

Hebrews for Today!

Written when the fear of persecution was a grim reality during the 21st Century, the message of Hebrews is for all who are struggling with living by faith while experiencing reality.

CONSIDER... what the book of Hebrews portrays for this 21st Century when there are no absolutes—a time when many are turning to something else because Jesus is not enough. This is why the study of Hebrews is so relevant for today—to discover why Jesus is "Above ALL."

FIND... the Sabbath-like rest, a rest for the people of God who have an "experience" with Jesus.

DISCOVER... the hope we have in Jesus, our High Priest, ministering for us in the heavenly sanctuary.

HOW... you can find an "Anchor" that brings fullness of hope, joy, and peace now and through eternity—instead of struggling with living by faith while experiencing reality.

- How we are called by Him.
- How desperately we need Him.
- How we hope in Him.

- After bizarre imagery and mind-bending meanings, Ezekiel closes with "Yahweh Shamah" The Lord is There!
- At the end of time, the hope of every believer is revealed in this series.
- LISTEN for the "finale" in this unforgettable series.

A Study in the Book of Malachi

Contemporary Issues of Today!

LISTEN... for the evidences of the reality of God's love as you note the direct expression, "Says the Lord" found 25 times in Malachi.

LEARN... how God views the treachery of disloyalty and betrayal in our interpersonal relationships in a world of broken promises and commitments.

DISCOVER... how the pre-advent judgment is for us—not against us.

CONSIDER... the final challenge of this series. Are you willing to be an "Elijah" and be used of God?

PROCLAIMING THE LANDMARKS

Biblical Truths for This Generation!

Many know so little about their Bibles that they are unsettled in the faith. They remove the landmarks, and fallacies and winds of belief blow them hither and thither. Our only safety is in preserving the landmarks.

The Bible and the Bible only with commentary for each subject.

- The Day God Made Holy** – Consider: Over 40 Bible references from the Old and New Testament confirming the origin of the Sabbath, the weekly cycle, and the sequence of days. Included are the first-day (Sunday) texts explored in context.
- The Promise of the Second Coming** – Consider: Over 30 Bible texts exploring the prophecies and the related New Testament texts that will build your understanding of your future and the future of this earth.
- The State of the Dead** – Consider: Over 25 references from God's Word that answer what happens when we die, how death is a sleep, the resurrection, the "unquenchable" fire of hell, and the fate of the wicked. Discover why this biblical truth is most important in these days.
